### Panels

Check the court appointment panel(s) for which you are seeking recertification in each court. If you are currently certified on a panel but do not indicate on this form that you wish to recertify on a panel, then you will be removed from that panel. If you do not recertify on a panel and later seek to rejoin that panel, or if you seek to add new panels, then you are required to seek certification, which requires prior approval by the Chief Justice, Presiding Justice, or Chief Judge of the court of appointment.
