Rhode Island Judiciary General Terms and Conditions of Purchase

1.0 Overview

The Administrative Office of State Courts (“AOSC”) is seeking a company (“Contractor” or “Vendor”), to provide snowplowing and snow removal services at the McGrath Judicial Complex for a two (2) year period from November 1, 2015 to October 31, 2017 per the specifications listed below.

2.1 Scope of Work

General Qualifications

Snowplowing refers to the clearing of snow from a location by movement and/or piling of snow at or near that same location.

Snow removal refers to the loading of plowed snow onto trucks and dumping at another location.

Sanding and/or de-icing and/or ice control refers to sprinkling or covering the ground with sand and/or salt or a de-icing agent so as to cause ice and snow to melt and/or to make the ground less slippery.

The Vender must have all equipment and personnel necessary to plow and remove snow as required in this RFP, and bidders responding to this RFP are required to list that equipment on the “Equipment Information” sheet (Appendix A).

The Vendor must comply with all applicable licensing and permitting requirements for this type of service. A copy of all required local, state and/or federal (if applicable) license(s) or permit(s) must be submitted with the RFP response. Submission of a bid is acknowledgement that any and all work performed in relation to this bid will be performed by personnel holding the required valid local, state and/or federal license(s) and/or permit(s).

The Vendor must maintain 24-hour/7-day-per-week communication equipment, including both mobile and office phones, and must provide emergency contact numbers in order for court personnel to direct operations before, during and after a snow event.

All snowplowing, snow removal, and sanding/deicing must be completed before 7:30 a.m. seven days a week.

Snowplowing is to be automatic when depth of snow reaches three (3) inches. Any snow shoveling for accumulation of snow less than 3 (three) inches will be at the request of the agency only.

The grounds to be serviced at each location by the Vender include all public access area walkways, including sidewalks, steps and handicap walkways and ramps, as well as parking lots, all of which must be cleared of snow prior to 7:30 a.m. Building superintendents will contact awarded vendor after 7:30 a.m. if determined vendor needs to be called in. The entire width of the sidewalks must be cleared around the buildings. There must be automatic snow removal from any area that prevents access to sally ports (i.e., secured, controlled entryways) or reduces access to sally ports.

The Vendor shall not pile or dump snow onto roadways, sidewalks, curb cuts, handicap entrances, or around trash cans and dumpsters that may block or hinder access to these areas. The Vendor is required to remove any snow they have placed on these areas.

After snowplowing and snow removal, the Vendor shall determine in its professional opinion and after consulting with the building superintendent whether sanding and/or a deicing agent should be applied to ground surfaces. A sand/salt combination must be used on parking lots and 90-92% pelletized calcium chloride must be used on all sidewalks and walkways. The sand/salt combination is not to be applied to sidewalks and walkways. Note that there are special deicing requirements and considerations for the parking garage located at the Noel Judicial Complex, as specified below. These applications shall be monitored by the building superintendent of each location.

After a snow event, the Vendor must check with the building superintendent prior to leaving the site of the snowplowing and snow removal.

Unsatisfactory work, whether it be snowplowing, sanding, deicing, or snow removal, will require the Vendor to immediately return to correct the situation, at no additional charge to the Judiciary.

Materials

The Vender is responsible for providing the sand/salt combination required in all parking lots, the 90-92% pelletized calcium chloride required on sidewalks, steps and walkways, and the deicing agents to be used for the parking garage at the Noel Judicial Complex, as specified below.

Locations

Judicial Building	Superintendent	Area to be serviced
McGrath Judicial Complex 4800 Tower Hill Road South Kingstown, RI 02879	Shawn Patrick Ryan 641-4492 cell 841-8380 office	<ul style="list-style-type: none"> • All sidewalks and steps • All entrances/exits • All emergency exits • Sally port area • All handicap access/ramps • Main Parking lot • 2 Side parking lots • **

**** All other areas identified by Superintendent during site visit**

- Off peak snow removal operations may be required to deal with heavy snowfalls effectively and safely.
- Snow can also be quickly brushed away with a rotary broom mounted in front of a utility vehicle. Clearing snow with a rotary broom is typically efficient for light snowfalls. Steel or other metallic bristles on rotary brooms can damage traffic topping and must not be used under any circumstances.

- Studded snow tires and chains cause damage to concrete and traffic topping and should be prohibited.
- The slope of floors is designed to drain surface water as quickly as possible. Certain areas, primarily entrance/exit lanes and the top level, are particularly vulnerable to icing when the water drains from sun-warmed surfaces into shaded areas. Be aware of these areas and control icing as it occurs.
- Ice buildup can be controlled by using hot sand or a mixture of sand and salt. Do not apply deicing chemicals containing chloride directly to the concrete unless extreme ice conditions exist. Small amounts of salt, three to six percent (3%-6%) by weight, added to sand can be very effective at increasing traction and preventing skid problems. Apply the sand/salt mixture only as needed.
- Drain systems should be protected against runoff-related sand accumulation during ice control operations. Use temporary burlap or straw filters to prevent drain clogging and possible drain damage to drain systems.
- Most common chemical deicers can have major chemical and physical effects on reinforced concrete systems. Several deicers are listed below with a general description of the common effects on materials found in and around a parking facility. Although a deicer may affect one type of material (such as metals and steel reinforcing, or steel connections), and have little effect on other materials (such as concrete), the effect on the single material may progressively effect the entire reinforced concrete system. When such deicers, in solution with water, reach steel via cracks, serious deterioration of structural components can result. The following summarizes the effects of common deicing agents and whether or not they may be used on the Noel Judicial Complex Parking Garage:

Sodium Chloride (Halite, table salt or rock salt)	Has little chemical effect on concrete, but will damage lawns and shrubs. It promotes metal corrosion.	DO NOT USE
Calcium Chloride	A major active component of many proprietary deicers, has little chemical effect on concrete, lawns and shrubs, but causes corrosion of metal. It is particularly hazardous to prestressing steel.	DO NOT USE
Calcium Magnesium Acetate (CMA) is available as “Ice-B-Gone Deicer”, manufactured by Chevron	CMA helps break up the bond between the ice and the driving surface. It acts similarly to salt, but is slower acting; typically 10-15 minutes. CMA has no known adverse effects on concrete or embedded reinforcement and will not damage lawns or shrubs.	OKAY TO USE
Ammonium Nitrate or Ammonium Sulfate	Beneficial to most vegetation, but may lead to complete destruction of concrete because of direct chemical attack on concrete reinforcement	DO NOT USE
Prilled Urea	Does not damage concrete lawns, shrubs or metal. Attracts moisture or stays “mushy” longer than salted areas. Takes longer than salt to	USE UREA TO BREAK UP ICE AND

	penetrate ice. Will work best at breaking up ice with solar action. Tends to have little effect after dark or at temperatures below 24°F.	SHOVEL
Ethylene Glycol or a solution of ethylene glycol and urea	Used by many airports for ice control on runways and planes. While effective to -40°F and non damaging, it is considerably more expensive than urea.	OKAY TO USE
Sand		MAY BE USED TO ELIMINATE OR REDUCE THE USE OF DEICERS

- All deicing compounds, including salt, do not work in extremely cold temperatures. Sand can be broadcast over icy surfaces to improve traction when deicing agents are ineffective. The use of sand may require additional sweeping and cleaning or maintenance.
- Recommended deicing measures, in order of deicing preferences, are:
 1. Clean, plow, scrape off ice and snow. Use no deicing agents.
 2. Calcium Magnesium Acetate (CMA).
 3. Prilled Urea (granular, chemically coated with a derivative of formaldehyde).
 4. Use sand to increase traction. When washing down, place burlap or stray filters over floor drains to keep sand out of drainage systems.
 5. Use mixture of sand and Calcium or Sodium Chloride.
 6. Calcium Chloride.
 7. Sodium Chloride.
 8. Never use Ammonium Nitrate or Ammonium Sulfate.

Measurements

Total snowfall depths shall be verified by the daily recorded data taken from the RI Department of Transportation located at Two Capital Hill, Providence, RI.

Payments

Invoices must contain the date and times that the work was completed, the areas cleared and the materials used.

All bills must be submitted within seven (7) days from the day of completed services.

Required Forms

Awards will not be made to vendors who fail to include Equipment Information Sheet (Appendix A).

Vendors must complete and submit a separate mandatory site visit form (Appendix B) for each site location.

Vendor must complete a snow plowing/removal report form (Appendix C) within twenty-four (24) hours of a snow emergency and submit it to the Facilities, Operations and Security Office located at the Licht Judicial Complex located at 250 Benefit Street, Providence, RI 02903.

Damages

The vendor is responsible for all snowplowing and snow removal related damages and will be required to repair or replace damaged materials, equipment and amenities. All repairs are to be completed by May 1 of each year.

Security

During this contract, security measures will be in place at all court locations. The Vendor, its officers, agents, servants and employees ("Personnel") shall comply with all security measures in place at each courthouse location, including processing through metal detectors, background checks, and signing the vendor log book at each courthouse upon entry. It is the Vendor's responsibility to inquire with the AOSC's Director of Security as to what security measures apply to the services to be provided under a contract awarded pursuant to this RFP and to advise its Personnel accordingly. There will be no exceptions.

Upon award the Vendor shall provide the AOSC's Director of Security with complete, notarized BCI Authorization and Disclaimer forms (Appendix A) for all of its Personnel who may provide services pursuant to this RFP. The forms must be accompanied by copies of a valid driver's license and any other personal identifying information requested by the AOSC, such as date of birth and/or social security number. All Personnel must be cleared by the AOSC Security Personnel before performing any services under a contract awarded pursuant to this RFP. Personnel who are not on the list shall not, under any circumstances, be sent to perform such services. It will be the responsibility of the Vendor to immediately inform the AOSC's Director of Security of any Personnel changes.

All Courthouse deliveries and/or removal of materials must be completed by 8:00 a.m. Monday through Friday. Packages will be inspected upon delivery.

No parking will be provided to the Vendor by the AOSC except limited temporary parking for the delivery and pick up of supplies.

3.0 Proposal Content and Organization

4.0 Acknowledgment of Risk and Hold Harmless Agreement

In addition to the indemnity provisions in the Judicial Terms & Conditions of Purchase, the Vendor, its officers, agents, servants, employees, parents, subsidiaries, partners, officers, directors, attorneys, insurers, and/or affiliates (Releasors) agree to release, waive, discharge and covenant not to sue the AOSC, its officers, agents, servants or employees (Releasees) from any and all liability, claims, cross-claims, rights in law or in equity, agreements, promises, demands, actions and causes of action whatsoever arising out of or related to any loss, damage, expense (including without limitation, all legal fees, expenses, interest and penalties) or injury (including death), of any type, kind or nature whatsoever, whether based in contract, tort, warranty, or other legal, statutory, or equitable theory of recovery, which relate to or arise out of a contract awarded pursuant to this RFP and the Releasors use of or presence in and/or on judicial property. The Releasors agree to defend, indemnify and hold harmless the Releasees from (a) any and all claims, loss, liability, damages or costs by any person, firm, corporation or other entity claiming by, through or under Releasors in any capacity whatsoever, including all subrogation claims and/or claims for reimbursement, including any court costs and attorneys fees, that may incur as a result of a contract awarded pursuant to this RFP or due to Releasors use of or presence in and on judicial property; and (b) any and all legal actions, including third-party actions, cross-actions, and/or claims for contribution and/or indemnity with respect to any claims by any other persons, entities, parties, which relate to or arise out of a contract awarded pursuant to this RFP or Releasors use of or presence in and on judicial property.

The Releasors acknowledge the risks that may be involved and hazards connected with use of or presence in and on judicial property but elect to provide services under any contract with the AOSC with full knowledge of such risks. Releasors also acknowledge that any loss, damage, and/or injury sustained by Releasors is not covered by Releasees' insurance. The duty to indemnify and/or hold harmless the Releasees shall not be limited by the insurance required under the Judicial Terms & Conditions of Purchase.

5.1 Additional Insurance Requirements

In addition to the insurance provisions in the Judicial General Terms & Conditions of Purchase, the liability insurance coverage, except Professional Liability, Errors and Omissions or Workers' Compensation insurance required for performance of a contract with the AOSC, shall include the AOSC, its divisions, officers and employees as Additional Insureds but only with respect to the Vendor's activities under the contract. The insurance required through a policy or endorsement shall include:

- a. a Waiver of Subrogation waiving any right to recovery the insurance company may have against the AOSC; and
- b. a provision that the Vendor's insurance coverage shall be primary with respect to any insurance, self insurance or self retention maintained by the State on behalf of the AOSC and that any insurance, self insurance or self retention maintained by the State on behalf of the AOSC shall be in excess of the Vendor's insurance and shall not contribute.

There shall be no cancellation, material change, potential exhaustion of aggregate limits or non-renewal without thirty (30) days written notice from the Vendor or its insurer(s) to the Judiciary's Purchasing Agent. Insurance coverage required under the contract shall be obtained from insurance companies acceptable to the AOSC. The Vendor shall pay for all deductibles, self insured retentions and/or self insurance included hereunder.

The Judiciary's Purchasing Agent reserves the right to consider and accept alternative forms and plans of insurance or to require additional or more extensive coverage for any individual requirement.

Proposals found to be technically or substantially non-responsive at any point in the evaluation process will be rejected and not considered further. The AOSC may elect to require presentations(s) by bidders in consideration for award.

Copies of the Terms and Conditions shall be provided to any individual or firm requesting to become a registered bidder. Applicants shall be required, as part of the application process, to certify that they have read the General Terms and Conditions and understand that they apply to all judicial purchases.

JUDICIAL PURCHASING OFFICE GENERAL CONDITIONS OF PURCHASE

All Judicial purchase orders, contracts, solicitations, delivery orders and service requests shall incorporate and be subject to the provisions of Rhode Island General Laws 8-15-4 and the judicial purchasing rules and regulations adopted pursuant thereto, all other applicable provisions of the Rhode Island General Laws, specific requirements described in the Request or Contract, and the following General Conditions of Purchase:

1. GENERAL

All purchase orders, contracts, solicitations, delivery orders, and service requests are for specified goods and services, in accordance with express terms and conditions of purchase, as defined herein. For the purposes of this document, the terms "bidder" and "contractor" refer to any individual, firm, corporation, or other entity presenting a proposal indicating a desire to enter into contracts with the Judiciary, or with whom a contract is executed by the Judicial Purchasing Agent, and the term "contractor" shall have the same meaning as "Vendor".

2. ENTIRE AGREEMENT

The Judiciary's Purchase Order, or other Judiciary contract endorsed by the Judicial Purchasing Office, shall constitute the entire and exclusive agreement between the Judiciary and any contractor receiving an award. In the event any conflict between the bidder's standard terms of sale, these conditions or more specific provisions contained in the solicitation shall govern.

All communication between the Judiciary and any contractor pertaining to any award or contract shall be accomplished in writing.

a. Each proposal will be received with the understanding that the acceptance, in writing, by contract or Purchase Order by the Judicial Purchasing Agent of the offer to do work or to furnish any or all the materials, equipment, supplies or services described therein shall constitute a contract between the bidder and the Judiciary. This shall bind the bidder on his part to furnish and deliver at the prices and in accordance with the conditions of said accepted proposal and detailed specifications and the Judiciary on its part to order from such contractor (except in case of emergency) and to pay for at the agreed prices, all materials, equipment, supplies or services specified and delivered. A contract shall be deemed executory only to the extent of funds available for payment of the amounts shown on Purchase Orders issued by the Judiciary to the contractors.

b. No alterations or variations of the terms of the contract shall be valid or binding upon the Judiciary unless submitted in writing and accepted by the Judicial Purchasing Agent. All orders and changes thereof must emanate from the Judicial Purchasing Office: no oral agreement or arrangement made by a contractor with an agency or employee will be considered to be binding on the Judicial Purchasing Agent, and may be disregarded.

c. Contracts will remain in force for the contract period specified or until all articles or services ordered before date of termination shall have been satisfactorily delivered or rendered and accepted and thereafter until all terms and conditions have been met, unless:

1. terminated prior to expiration date by satisfactory delivery against orders of entire quantities, or
2. extended upon written authorization of the Judicial Purchasing Agent and accepted by the contractor, to permit ordering of the unordered balances or additional quantities at the contract price and in accordance with the contract terms, or
3. canceled by the Judiciary in accordance with other provisions stated herein.

d. It is mutually understood and agreed that the contractor shall not assign, transfer, convey, sublet or otherwise dispose of this contract or his right, title or interest therein, or his power to execute such contract, to any

other person, company or corporation, without the previous consent, in writing, of the Judicial Purchasing Agent.

- e. If, subsequent to the submission of an offer or issuance of a purchase order or execution of a contract, the bidder or contractor shall merge with or be acquired by another entity, the contract may be terminated, except as a corporate resolution prepared by the contractor and the new entity ratifying acceptance of the original bid or contract terms, condition, and pricing is submitted to the Judicial Purchasing Office, and expressly accepted.
- f. The contractor or bidder further warrants by submission of an offer or acceptance of a purchase order or other contract that he has no knowledge at the time of such action of any outstanding and delinquent or otherwise unsettled debt owed by him to the Judiciary, and agrees that later discovery by the Judicial Purchasing Agent that this warranty was given in spite of such knowledge, except where the matter is pending in hearing or from any appeal therefrom, shall form reasonable grounds for termination of the contract.

3. SUBCONTRACTS

No subcontracts or collateral agreements shall be permitted, except with the Judiciary's express written consent. Upon request, contractors must submit to the Judicial Purchasing Office a list of all subcontractors to be employed in the performance of any Purchase Order or other contract arising from this Request.

4. RELATIONSHIP OF PARTIES

The contractor or bidder warrants, by submission of an offer or acceptance of a purchase order or other contract, that he is not an employee, agent, or servant of the Judiciary, and that he is fully qualified and capable in all material regards to provide the specified goods and services. Nothing herein shall be construed as creating any contractual relationship or obligation between the Judiciary and any sub-bidder, subcontractor, supplier, or employee of the contractor or offeror.

5. COSTS OF PREPARATION

All costs associated with the preparation, development, or submission of bids or other offers will be borne by the offeror. The Judiciary will not reimburse any offeror for such costs.

6. SPECIFIED QUANTITY REQUIREMENT

Except where expressly specified to the contrary, all solicitations and contracts are predicated on a specified quantity of goods or services, or for a specified level of funding.

- a. The Judiciary reserves the right to modify the quantity, scope of service, date of delivery or completion, or funding of any contract, with no penalty or charge, by written notice to the contractor, except where alternate terms have been expressly made a part of the contract.
- b. The Judiciary shall not accept quantities in excess of the specified quantity except where the item is normally sold by weight (where sold by weight, the Judiciary will not accept quantities greater than ten per cent [10%] of the specified quantity), or where the Request or Contract provides for awards for other than exact quantities.
- c. Purchase Orders or other contracts may be increased in quantity or extended in term without subsequent solicit with the mutual consent of the contractor and the Judiciary, where determined by the Judicial Purchasing Agent to be in the Judiciary's best interest.

7. TERM AND RENEWAL

Where offers have been requested or contracts awarded for terms exceeding periods of twelve (12) months, it is mutually understood and agreed that the Judiciary's commitment is limited to a base term not to exceed twelve (12) months, subject to renewal annually at the Judiciary's sole option for successive terms as otherwise described, except where expressly specified to the contrary. Purchase orders appearing to commit to obligations of funding or terms of performance may be executed for administrative convenience, but are otherwise subject to this provision, and in such cases the Judiciary's renewal shall be deemed to be automatic, conditional on the continued availability of appropriated funds for the purpose, except as written notice of the Judiciary's intent not to renew is served.

8. DELIVERY/COMPLETION

Delivery must be made as ordered and/or projects completed in accordance with the proposal. If delivery qualifications do not appear on the bidder's proposal, it will be interpreted to mean that goods are in stock and that shipment

will be made within seven (7) calendar days. If the project completion date is not specified in the proposal, the date shall be determined by the Judicial Purchasing Agent. The decision of the Judicial Purchasing Agent, as to reasonable compliance with the delivery terms, and date of completion shall be final. Burden of proof of delay in receipt of order shall rest with the contractor. No delivery charges shall be added to invoices except when authorized on the Purchase Order.

9. FOREIGN CORPORATIONS

In accordance with Title 7 Chapter 1.1 (“Business Corporations”) of the General Laws of Rhode Island, no foreign corporation shall have the right to transact business in this state until it shall have procured a certificate of authority so to do from the Secretary of State.

10. PRICING

All pricing offered or extended to the Judiciary is considered to be firm and fixed unless expressly provided for to the contrary. All prices shall be quoted F.O.B. Destination with freight costs included in the unit cost to be paid by the Judiciary, except, where the Request or Contract permits, offers reflecting F.O.B. Shipping Point will be considered, and freight costs may then be prepaid and added to the invoice.

11. COLLUSION

Bidder or contractor warrants that he has not, directly or indirectly, entered into any agree participated in any collusion or otherwise taken any action in restraint of full competitive bidding. In special circumstances, an executed affidavit will be required as a part of the bid.

12. PROHIBITION AGAINST CONTINGENT FEES AND GRATUITIES

Bidder or contractor warrants that he has not paid, and agrees not to pay, any bonus, commission, fee, or gratuity to any employee or official of the Judiciary for the purpose of obtaining any contract or award issued by the Judiciary. Bidder or contractor further warrants that no commission or other payment has been or will be received from or paid to any third party contingent on the award of any contract by the Judiciary, except as shall have been expressly communicated to the Judicial Purchasing Agent in writing prior to acceptance of the contract or award in question. Subsequent discovery by the Judiciary of non-compliance with these provisions shall constitute sufficient cause for immediate termination of all outstanding contracts and suspension or debarment of the bidder(s) or contractor(s) involved.

13. AWARDS

Awards will be made with reasonable promptness and by written notice to the successful bidder (only); bids are considered to be irrevocable for a period of sixty (60) days following the bid opening unless expressly provided for to the contrary in the Request, and may not be withdrawn during this period without the express permission of the Judicial Purchasing Agent.

- a. Awards shall be made to the bidder(s) whose offer(s) constitutes the lowest responsive price offer (or lowest responsive price offer on an evaluated basis) for the item(s) in question or for the Request as a whole, at the option of the Judiciary. The Judiciary reserves the right to determine those offers which are responsive to the Request, or which otherwise serve its best interests.
- b. The Judiciary reserves the right, before making award, to initiate investigations as to whether or not the materials, equipment, supplies, qualifications or facilities offered by the bidder meet the requirements set forth in the proposal and specification, and are ample and sufficient to insure the proper performance of the contract in the event of award. If upon such examination it is found that the conditions of the proposal are not complied with or that articles or equipment proposed to be furnished do not meet the requirements called for, or that the qualifications or facilities are not satisfactory, the Judiciary may reject such a bid. It is distinctly understood, however, that nothing in the foregoing shall mean or imply that it is obligatory upon the Judiciary to make any examinations before awarding a contract; and it is further understood that if such examination is made, it in no way relieves the contractor from fulfilling all requirements and conditions of the contract.
- c. Qualified or conditional offers which impose limitations of the bidder's liability or modify the requirements of the bid, offers for alternate specifications, or which are made subject to different terms and conditions than those specified by the Judiciary may, at the option of the Judiciary, be
 1. rejected as being non-responsive, or
 2. set aside in favor of the Judiciary's terms and conditions (with the

3. consent of the bidder), or
accepted, where the Judicial Purchasing Agent determines that such acceptance best serves the interests of the Judiciary.

Acceptance or rejection of alternate or counter-offers by the Judiciary shall not constitute a precedent which shall be considered to be binding on successive solicitations or procurements.

- d. Bids submitted in pencil, or which do not bear an original signature, in ink, by an owner or authorized agent thereof, will not be accepted.
- e. Bids must be extended in the unit of measure specified in the Request. In the event of any discrepancy between unit prices and their extensions, the unit price will govern.
- f. The Judicial Purchasing Agent reserves the right to determine the responsibility of any bidder for a particular procurement.
- g. The Judicial Purchasing Agent reserves the right to reject any and all bids in whole or in part, to waive technical defects, irregularities, and omissions, and to give consideration to past performance of the offerors where, in his judgment the best interests of the Judiciary will be served by so doing.
- h. The Judicial Purchasing Agent reserves the right to make awards by items, group of items or on the total low bid for all the items specified as indicated in the detailed specification, unless the bidder specifically indicates otherwise in his bid.
- i. Preference may be given to bids on products raised or manufactured in the State of Rhode Island, other things being equal.
- j. The impact of discounted payment terms shall not be considered in evaluating responses to any Request.
- k. The Judicial Purchasing Agent reserves the right to act in the Judiciary's best interests regarding awards caused by clerical errors by the Judicial Purchasing Office.

14. SUSPENSION AND DEBARMENT

The Judicial Purchasing Agent may suspend or debar any Vendor or potential bidder, for good cause shown:

- a. A debarment or suspension against a part of a corporate entity constitutes debarment or suspension of all of its divisions and all other organizational elements, except where the action has been specifically limited in scope and application, and may include all known corporate affiliates of a contractor, when such offense or act occurred in connection with the affiliate's performance of duties for or on behalf of the contractor, or with the knowledge, approval, or acquiescence of the contractor or one or more of its principals or directors (or where the contractor otherwise participated in, knew of, or had reason to know of the acts).
- b. The fraudulent, criminal or other serious improper conduct of any officer, director, shareholder, partner, employee, or any other individual associated with a contractor may be imputed to the contractor when the conduct occurred in connection with the individual's performance of duties for or on behalf of the contractor, or with the contractor's knowledge, approval or acquiescence. The contractor's acceptance of benefits derived from the conduct shall be evidence of such knowledge, approval, or acquiescence.
- c. A Vendor or contractor who knowingly engages as a subcontractor for a contract awarded by the Judiciary to a Vendor or contractor then under a ruling of suspension or debarment by the Judiciary shall be subject to disallowance of cost, annulment or termination of award, issuance of a stop work order, or debarment or suspension, as may be judged to be appropriate by the Judicial Purchasing Agent.

15. PUBLIC RECORDS

Contractors and bidders are advised that certain documents, correspondence, and other submissions to the Judicial Purchasing Office may be voluntarily made public by the Judiciary absent specific notice that portions of such submittals may contain confidential or proprietary information, such that public access to those items should be withheld.

16. PRODUCT EVALUATION

In all specifications, the words "or equal" are understood after each article when manufacturer's name or catalog are referenced. If bidding on items other than those specified, the bidder must, in every instance, give the trade designation of the article, manufacturer's name and detailed specifications of the item the bidder proposes to furnish; otherwise, the bid will be construed as submitted on the identical commodity described in the detailed specifications. The Judicial Purchasing Agent reserves the right to determine whether or not the item submitted is the approved equal the detailed specifications.

- a. Any objections to specifications must be filed by a bidder, in writing, with the Judicial Purchasing Agent at least 96 hours before the time of bid opening to enable the Judicial Purchasing Office to properly investigate the objections.

- b. All standards are minimum standards except as otherwise provided for in the Request or Contract.
- c. Samples must be submitted to the Judicial Purchasing Office in accordance with the terms of the proposals and detailed specifications. Samples must be furnished free of charge and must be accompanied by descriptive memorandum invoices indicating whether or not the bidder desires their return and specifying the address to which they are to be returned (at the bidder's risk and expense), provided they have not been used or made useless by tests; and absent instructions, the samples shall be considered to be abandoned. Award samples may be held for comparison with deliveries.
- d. All samples submitted are subject to test by any laboratory the Judicial Purchasing Agent may designate.

17. PRODUCT ACCEPTANCE

All merchandise offered or otherwise provided shall be new, of prime manufacture, and of first quality unless otherwise specified by the Judiciary. The Judiciary reserves the right to reject all nonconforming goods, and to cause their return for credit or replacement, at the Judiciary's option. Contract deliverables specified for procurements of services shall be construed to be work products, and subject to the provisions of this section.

- a. Failure by the Judiciary to discover latent defect(s) or concealed damage or non-conformance shall not foreclose the Judiciary's right to subsequently reject the goods in question.
- b. Formal or informal acceptance by the Judiciary of non-conforming goods shall not constitute a precedent for successive receipts or procurements.
- c. Where the contractor fails to promptly cure the defect or replace the goods, the Judiciary reserves the right to cancel the Purchase Order, contract with a different contractor, and to invoice the original contractor for any differential in price over the original contract price.
- d. When materials, equipment or supplies are rejected, the same must be removed by the contractor from the premises of the Judiciary within forty-eight (48) hours of notification. 18. PRODUCT WARRANTIES

All product or service warranties normally offered by the contractor or bidder shall accrue to the Judiciary's benefit, in addition to any special requirements which may be imposed by the Judiciary. Every unit delivered must be guaranteed against faulty material and workmanship for a period of one year unless otherwise specified, and the Judiciary may, in the event of failure, order its replacement, repair, or return for full credit, at its sole option.

19. PAYMENT

Unless otherwise provided for by the Request or Contract, payment shall not be made until delivery has been made, or services performed, in full, and accepted. Payment shall not be due prior to thirty (30) working days following the latest of completion, acceptance, or the rendering of a properly submitted invoice.

- a. Payment terms other than the foregoing may be rejected as being nonresponsive.
- b. No partial shipments, or partial completion will be accepted, unless provided for by the Request or Contract.
- c. Where a question of quality is involved, or failure to complete a project by the specified due date, payment in whole or part against which to charge back any adjustment required, shall be withheld at the direction of the Judicial Purchasing Agent. In the event a cash discount is stipulated, the withholding of payments, as herein described, will not deprive the Judiciary from taking such discount.
- d. Payments for used portion of inferior delivery or late delivery will be made by the Judiciary on an adjusted price basis.
- e. Payments on contracts under architectural or engineering supervision must be accompanied by a Certificate of Payment and Statement of Account signed by the architect or engineer and submitted to the Judicial Purchasing Office for approval.

20. THIRD PARTY PAYMENTS

The Judiciary recognizes no assigned or collateral rights to any purchase agreement except as may be expressly provided for in the bid or contract documents, and will not accede to any request for third party or joint payment(s), except as provided for in specific orders by a court of competent jurisdiction, or by express written permission of the Judicial Purchasing Agent. Where an offer is contingent upon such payment(s), the offeror is obligated to serve affirmative notice in his bid submission.

21. SET-OFF AGAINST PAYMENTS

Payments due the contractor may be subject to reduction equal to the amount of unpaid and delinquent state taxes (or other just debt owed to the State), except where notice of delinquency has not been served or while the matter is pending in hearing or from any appeal therefrom.

22. CLAIMS

Any claim against a contractor may be deducted by the Judiciary from any money due him in the same or other transactions. If no deduction is made in such fashion, the contractor shall pay the Judiciary the amount of such claim on demand. Submission of a voucher and payment, thereof, by the Judiciary shall not preclude the Judicial Purchasing Agent from demanding a price adjustment in any case when the commodity delivered is later found to deviate from the specifications and proposal.

- a. The Judicial Purchasing Agent may assess dollar damages against a Vendor or contractor determined to be non-performing or otherwise in default of their contractual obligations equal to the cost of remedy incurred by the Judiciary, and make payment of such damages a condition for consideration for any subsequent award. Failure by the Vendor or contractor to pay such damages shall constitute just cause for disqualification and rejection, suspension, or debarment.

23. CERTIFICATION OF FUNDING

The Chief Purchasing Officer shall provide certification as to the availability of funds to support the procurement for the current fiscal year ending June 30th only. Where delivery or service requirements extend beyond the end of the current fiscal year, such extensions are subject to both the availability of appropriated funds and a determination of continued need.

24. UNUSED BALANCES

Unless otherwise specified, all unused Blanket Order quantities and/or unexpended funds shall be automatically canceled on the expiration of the specified term. Similarly, for orders encompassing more than one fiscal year, unexpended balances of funding allotted for an individual fiscal year may be liquidated at the close of that fiscal year, at the Judiciary's sole option.

25. MINORITY BUSINESS ENTERPRISES

Pursuant to the provisions of Title 37 Chapter 14.1 of the General Laws, the Judiciary reserves the right to apply additional consideration to offers, and to direct awards to bidders other than the responsive bid representing the lowest price where:

- a. the offer is fully responsive to the terms and conditions of the Request, and
- b. the price offer is determined to be within a competitive range (not to exceed 5% higher than the lowest responsive price offer) for the product or service, and
- c. the firm making the offer has been certified by the R.I. Department of Economic Development to be a small business concern meeting the criteria established to be considered a Minority Business Enterprise. Ten per cent [10%] of the dollar value of the work performed against contracts for construction exceeding \$5,000 shall be performed by Minority Business Enterprises where it has been determined that subcontract opportunities exist, and where certified Minority Business Enterprises are available. A contractor may count towards its MBE, DBE, or WBE goals 60% of its expenditures for materials and supplies required under a contract and obtained from an MBE, DBE, or WBE regular dealer, and 100% of such expenditures when obtained from an MBE, DBE, or WBE manufacturer. Awards of this type shall be subject to approval, by the Chief Purchasing Officer, of a Subcontracting Plan submitted by the bidder receiving the award.

26. PREVAILING WAGE REQUIREMENT

Affirmative action plans shall be submitted by the contractor for review by the State Equal Opportunity Office. Bid Bonds must be executed by a reliable Surety Company authorized to do business in the State of Rhode Island. Failure to provide Bid Surety with bid may be cause for rejection of bid. All others will be returned by mail within 48 hours following the bid opening. Upon award of a contract, the remaining sureties will be returned by mail unless instructed to do otherwise.

Upon receipt of said order, the contractor shall immediately comply with the order and suspend all work under this contract as specified in the order. The contractor shall take all reasonable steps to mitigate costs and adverse impact to the work specified in the contract during the suspension period. Before the order expires, the Judiciary shall either:

2. extend the suspension order for a specified time period not to exceed thirty (30) days; or
3. terminate the contract as provided herein.

The contractor shall resume performance once a suspension order issued under this section is canceled or expires. The contractor, or its surety, agrees to promptly reimburse the Judiciary for the excess costs, but shall have no claim to the difference should the replacement cost be less.

The Judiciary may terminate the contract in whole or in part without cause at any time by giving written notice to the contractor of such termination at least thirty (30) days before the effective date of such termination. The notice shall specify the part(s) of the contract being terminated and the effective termination date.

The Judiciary may also set off any damages so determined against the amounts retained.
